President's Corner

The holidays are coming upon us and I find I have a lot to be thankful for...

my family, my health, my Chamber. Each day that I meet another potential member or long standing member, I feel encouraged and energized by the fact that together, we are not only supporting our community but each other's businesses. I have learned so much about what makes our Chamber so different from all the rest: it's our equal commitment to excellence in not only how we do business but how we treat each other. So many of you have come alongside of this office to help, offer advice and stand in some of the gaps that unexpectedly rise up. As "iron sharpens iron", so WE "sharpen" each other. Thank YOU for keeping this Chamber great!

The Chamber is here threefold: to support your business in terms of showing you ways to be more successful, be your voice in your time of professional need or challenge and look out for your interests within the community. I, as well as the Board, have an open door policy within the Chamber. If you have any concerns or issues, please do not hesitate to call me at 566-9000 or email me at president@schertzchamber.org. Our Board Member's business cards are handed out at each luncheon and on them is listed their names and contact information. We want to hear from you and welcome any input, concerns or kudos you may want to give.
