## President's Corner

A new year is almost upon us! For me, a new year means new beginnings and a freshness that says anything is possible! We have three new Board Directors; a new City area map; our new Business Directory is out; AND we have implemented our new Chamber logo on our coins, decals and website (which we have streamlined to make it more user friendly including more business categories and information). We are looking forward to the coming year's events: Business Expo on February 23<sup>rd</sup>, Schertz Shootout on May 19<sup>th</sup>, The Taste on July 28<sup>th</sup> and our Golf Classic on Oct. 21<sup>st</sup>. In addition, we have exciting programs coming back such as our Biz Ed Breakfast and new programs we are working on which includes “Mentor to Member” groups. We are looking at wonderful lunch presentations and speakers addressing issues such as local city updates, education for your business and motivational speakers as well. It will indeed be a Happy New Year for our Members, and I, as well as the Board and Staff at the Schertz Chamber of Commerce, wish you and your business much success in the coming year! We look forward to working towards a successful future with you!
